

Village of Mansfield
Water Committee Meeting

October 13, 2017

17:00

Meeting called to order at 17:00 by Chairman Ron Konen.

Roll Call: Todd Jones, Ron Konen. Absent: Zach Reynolds. No audience members present.

The water ordinance was discussed. Members present felt that it was okay as written. Recommendation was that the Village needs to follow the ordinance. After we start following the ordinance we will re-evaluate to see if changes are needed.

Delinquent water customers were discussed. Members present thought we should follow the ordinance. We felt we should give those on the current delinquent list until October 30, 2017 to pay what is owed on their delinquent monthly bills. If payment was not received in full water service will be shut off. We felt we could allow an additional two weeks (November 13) for them to pay accrued late fees. If late fees were not paid by then water service would be shut off.

Meeting adjourned at 17:45
